PIONEERING DIAGNOSTICS

* In connection with one or more of the purposes outlined above, we may disclose details to bioMérieux group and/or to third parties that provide services to us and/or bioMérieux group. We will hold your personal data on our systems for the longest of the following periods: (i) as long as is necessary for the relevant activity or services; (ii) any retention period that is required by law; (iii) the end of the period in which litigation or investigations might arise in respect of the services unless prior requesting deletion sent to PrivacyOfficer@biomerieux.com

Please note that, at any time, you can exercise your right to access, to rectify and to erase your personal data. You may also request limitation, portability or to opt out consent from processing, and not to be subject to an automated data processing, by contact our data protection officer at PrivacyOfficer@biomerieux.com

If you are unhappy with the way we have handled your personal data or any privacy query or request that you have raised with us, you have a right to complain to the EU Data Protection Authority (“DPA”) in your jurisdiction. If you would like to be directed to the appropriate DPA, or if you would like contact us with any questions or concerns about privacy issues or Personal Data management, please contact: PrivacyOfficer@biomerieux.com
